	No	Somewhat	Yes
1. When I see my branding, I'm filled with excitement and passion.			
2. When I see my advertising, I believe it has a modern look and feel.			
3. When I read my messaging, I think it translates to the customer well.			
4. When I look at my employees, I see they're engaged with the brand.			
5. When I look at my competitors, I think I'm ahead of them visually.
